

Merrick Mynur's Waltz Collection

Number 2

Robert John Magnuson 2022

Approximate duration: 1:26

I wish attribution to include my name, date, and title of composition, as are listed in each score. I request that any public performance of any work I have released be recorded to video with sound, and that recording be forwarded to me (as video file or website URL of video). Please use the 'Contact' form on my website listed below if you have a video of a performance, to arrange how I might receive such.

The Alto Flute and Heckelphone (a.k.a. "bass oboe") are among my most recent discoveries... So, with this trio of mynur (er, minor) waltz pieces, they are featured. Both these woodwinds will likely find frequent inclusion in upcoming compositions.
