

# Dreams of a Mobile Device on Charge

Robert John Magnuson 2022

Approximate duration: 2:10

I wish attribution to include my name, date, and title of composition, as are listed in each score. I request that any public performance of any work I have released be recorded to video with sound, and that recording be forwarded to me (as video file or website URL of video). Please use the 'Contact' form on my website listed below if you have a video of a performance, to arrange how I might receive such.

This piece began as an experiment. MuseScore can be enhanced by 'plugins', which afford the composer automated ways to modify chords even whole phrases. It was the 'retrograde' plugin that was used to reverse / mirror notes.
