

# Marimba & Vibraphone Mini Concerto

Robert John Magnuson 2023

Approximate duration: 2:56

I wish attribution to include my name, date, and title of composition, as are listed in each score. I request that any public performance of any work I have released be recorded to video with sound, and that recording be forwarded to me (as video file or website URL of video). Please use the 'Contact' form on my website listed below if you have a video of a performance, to arrange how I might receive such.

**Notes to Percussionists:** The brief appearance of claves and castanets should be easily handled by each of you. Choose which you want.

**Solos:** In both solos, they do not become excessively gymnastic or 'showy'. They do not last only a few seconds. *If either - or both - of you wish to perform YOUR OWN SOLO, I'm amenable to that. Take this comment as a guide to what you might choose to create, possibly in an improvisational, on-the-spot manner.*

My designations of Hard Mallets (H.M.) or Soft Mallets (S.M.) is based on my rudimentary familiarity with pitched percussion instruments. I defer to your judgement, if further mallet choices enhance the work.

**Vibraphonist:** I hope the instrument you have access to includes the motorized system driving rotating vanes, in the resonators below the bars. And that such can be controlled by on / off, as well as speed of vane rotation. I wish to exploit this feature during the performance. I have included notations in the score where change should happen, as described in this summary:

|          |   |
|----------|---|
| V:OFF    | vibrato/speed turned off  |
| V:S      | vibrato/speed turned on, to a SLOW speed  |
| V:F      | vibrato/speed turned on, to a FAST speed  |
| V:F----S | the effect is already set FAST, and is adjusted over the note duration to slow-down, to the SLOWEST speed |

Your use of the damper pedal is fully discretionary.

The musical score consists of 12 staves, each representing a different instrument or section of the orchestra. The instruments listed from top to bottom are: Picc., A. Fl., A. Cl., Bsn. 1, Bsn. 2, F Hn., Clv., Cst., Vln., Vla., Vc., and Cb. The score is in 3/4 time, indicated by the time signature at the end of each measure. Key signatures change frequently, reflecting the harmonic progression of the piece. Various musical markings are present, such as slurs, grace notes, and dynamic markings like 'mf' (mezzo-forte) and 'arco' (bowing). The notation includes both standard staff notation and bass clef staves for the brass instruments.
